Dear Chip,

Dayton Children's received a wonderful gift of children's books in honor of you and your Aunt Marion from Jane R. She wrote a lovely letter and shared that you and your legal team "provided a safe harbor" during a difficult life transition for her.

Ms. R. donated several books based on an article "The Red Ones Are the Best" that appears on the law firm's website. She was touched by the caring message about families and holidays. She also appreciated your comment about visiting your Aunt Marion in Maine, her own home state.

For all that you do for Dayton Children's, I want to thank you. More importantly, I want to thank you for inspiring your clients to do such thoughtful things for the patients at the hospital. The books will be placed in the Schear Activity Center so parents can have access to them and be able to read to their children during inpatient stays.

Should you care to thank Ms. R. for her kindness, she can be reached at:
Jane R.

With kindest regards,

Bethany Deines
